

### **Outlining the post-acceptance procedures:**

Congratulations on your manuscript acceptance!

The next step is to submit the IEEE-approved version of your paper for the conference proceedings. Here's what you need to do:

1. Use the IEEE-approved template (word file) for your paper
2. **Generate the output PDF using IEEE PDF eXpress:**  
Use the [IEEE PDF eXpress system](#) to generate the IEEE-approved PDF version of your paper. Make sure to include the Conference ID: **65933x**.
3. **Submit the IEEE-approved PDF:**  
Please submit the final PDF to the conference email address: **IPAPS2025@gmail.com**.

**Note 1:** It is necessary to complete the submission copyright process by signing the **IEEE copyright form**. Further information regarding this matter will be communicated to you via email later.

**Note 2:** Please enter the following code in the template:

979-8-3315-1377-1/25/\$31.00 ©2025 IEEE

**Note 3:** Any detected instances of plagiarism or fraudulent research in submitted papers will result in their exclusion from the conference proceedings. The corresponding author(s) are responsible for its consequences.

We hope this clarifies the process!
